Graduation Requirements

Students must earn a total of 23 credits:

- 4 English
- 4 Mathematics
- 4 Science
- 3 Social Studies
- 1 Health/Physical Education
- 3 CTAE and/or World Language and/or Fine Arts
- 4 additional elective units

- Counselors will conduct classroom guidance lessons and supplementary parent nights to support students in meeting these requirements.

Students planning to enter/transfer into a 4-year college/university must take a minimum of two units of the same world language.

Earning Credits

Students earn credit for a course by earning a passing grade (70 or higher) in the course.

Grading Scale:

- A = 90 or higher
- B = 80-89
- C = 70-79
- F = 69 or below

Grade Level Placement:

- Freshmen = Less than 5 credits
- Sophomore = 5 - 10.5 credits
- Junior = 11 - 16.5 credits
- Senior = 17 or more credits

General Grading Policies

Interim progress reports will be issued to students every 4.5 weeks.

Transcripts are issued at the end of S1 and S2; final semester grades are reflected on the high school transcript.

Each course semester is independent of the other; S1 and S2 course grades are NOT averaged.

Honors and AP courses receive an additional 7 points added to the final passing grade.

Parents can use Infinite Campus (IC) to track assignments, grades, attendance, discipline, etc. during the semester.

Typical 9th Grade Schedule

- Teachers make recommendations based on the prerequisites listed in the academic catalog-online at www.northviewhigh.com.
- Individual departments determine the prerequisites (not the counselors).
- Research classes carefully.
- Be aware of the scheduling policy. **We do not change schedules unless there is an error on our part.**

Semester One	Semester Two
9 th /10 th Grade English/Honors	9 th /10 th Grade English/Honors
Math/Accelerated	Math/Accelerated
American Gov't or Health AP Gov't (Yearlong)	American Gov't or Health AP Gov't (Yearlong)
World Language/Honors or another elective	World Language/Honors or another elective
Biology/Honors	Biology/Honors
Elective	Elective

Final Exams and End-of-Course Tests

Georgia Milestones:

- ▶ Biology*
- ▶ 11th Lit/Comp
- ▶ GSE Algebra 1*
- ▶ US History

- ▶ Most teachers will weigh the semester 1 final the same as the GA Milestone
- ▶ 9th grade courses are marked with an *
- ▶ Final exams are given in all other courses - see teacher syllabi for details

Course Placement

Teachers make recommendations based on prerequisites posted in the Course Catalog.

SCIENCE

26.0120001 26.0120002	Biology	Y	1.0	None; 9
26.0120041 26.0120042	Biology Honors	Y	1.0	88+ Advanced Science or 95+ On-level Science; 9

LANGUAGE ARTS

23.0610001 23.0610002	9 th Grade Lit/Comp	Y	1.0	None; 9
23.2610041 23.2610042	9 th Grade Lit/Comp Honors	Y	1.0	85+ unweighted Lang Arts 8 Advanced or 95+ regular 8 th grade Language Arts; recommendation from Grade 8 Language Arts teacher; 9

Course Placement

Teachers make recommendations based on prerequisites posted in the Course Catalog.

SOCIAL STUDIES

45.0570005	American Government / Civics	S	0.5	None
------------	------------------------------	---	-----	------

NO WAIVERS permitted for 9th grade AP courses. Students must meet specified criteria.

AP Government Requirements for rising 9th graders: 88+ in 8th Grade History, 88+ in Language Arts Advanced.

Students may need to remove General Health and/or American Government from their schedule to make room for an AP course. Summer school and online options are available to rising 9th graders at the parent's expense. Approximate cost for two classes taken during the summer is \$500.

AP Gov't is a yearlong course. AP Gov't fulfills the American Gov't graduation requirement.

Students must have the ability to learn independently, though they will have support in class.

Students should be strong with social studies skills including political cartoons and reading comprehension.

Students will be required to read material regularly on their own. When reading, students should read for detail; application and background of the concepts will be given in class.

The course is heavy on memorization of vocabulary and key concepts since tests/quizzes will be formatted to AP style multiple choice questions and free response questions. These questions will require students to use critical thinking skills to apply their knowledge of concepts/vocabulary to real world examples.

AP Human Geography requirements for rising 9th graders: 88+ in 8th Grade History, 88+ in Language Arts Advanced (same skill set as listed above). **AP Human Geography is a yearlong course.**

See note above regarding General Health and/or American Gov't.

Course Placement

Teachers make recommendations based on prerequisites posted in the Course Catalog.

WORLD LANGUAGES

Computer #	World Languages	Term	Credit	Prerequisite and Grade Level
62.0110001 62.0110002	Chinese I	Y	1.0	None; 9-12
62.0120001 62.0120002	Chinese II	Y	1.0	Chinese I; 9-12
62.0120041 62.0120042	Chinese II Honors	Y	1.0	93+ in Chinese 8; 97+ Chinese I (HS) and teacher recommendation; 9-12
60.0110001 60.0110002	French I	Y	1.0	None; 9-12
60.0120001 62.0120002	French II	Y	1.0	French I; 9-12

*AP Research is an elective only and does not meet the Board of Regents requirement for a 4th ELA course			
12	British Lit Multi Lit Advanced Comp H AP Research (Completed AP Seminar)	AP Literature Advanced Comp H British Lit Multi Lit AP Seminar AP Research (Completed AP Seminar) College English	AP Lit Advanced Comp Honors British Lit Multi Lit AP Seminar AP Research College English

ELA Progression

***Other ELA elective options include: Contemporary Lit, Journalism, Literary Magazine, Yearbook, Speech & Debate Forensics, Writer's Workshop, and Mythology - please reference the NHS course catalog course descriptions for more information and prerequisite requirements.

***Students must take 9th Lit (Honors) & 11th Am Lit (Honors or AP Lang / Am Lit) to meet graduation requirements. Students must also take 2 additional core ELA courses in order to graduate. AP Research is not recognized by colleges as a 4th year of ELA.

NORTHVIEW PATHWAYS & OPTIONAL SCHOOLS OF STUDY

The graphic below shows the many optional pathways offered at Northview in our four Schools of Study (*Science & Technology, Medicine, Business & Leadership, Art & Design*). Students that successfully complete all courses in any pathway will earn a **Diploma Seal** that indicates to colleges a student's enhanced learning in that area (*some Pathways also require success on an End of Pathway Assessment as indicated in Course 4 column - EOPA*). In addition to these pathways and optional Schools of Study, all Northview students have access to a variety of electives in every department to help students explore their interests and future aspirations (see course catalog for all elective options).

NHS School of Study	PATHWAY	STUDENT INTERESTS	COURSE 1	COURSE 2	COURSE 3	COURSE 4	FUTURE CAREER OPPORTUNITIES
SCIENCE & TECHNOLOGY	ENGINEERING	Math, Science, Technology - Working in groups to solve problems and work collaboratively. Develops strong communication and leadership skills.	Foundations of Engineering	Engineering Concepts	Engineering Applications	EOPA - Internship, Directed Study, Work Based Learning	Aerospace, Mechanical Engineering, Civil Engineering, Electrical Engineering, Automated Manufacturing
	INFORMATION TECHNOLOGY	Math, Science, Computer Science - Students study the design, development and analysis of software and hardware used to solve problems in a variety of business, scientific and social contexts.	Intro to Software Technology	AP Computer Science Principles	AP Computer Science A	EOPA - Internship, Directed Study, Work Based Learning	Software Developer, IT Analyst, Network Architect, Cybersecurity, Cloud Computing, Data Analytics
	AUDIO VIDEO TECHNOLOGY & FILM	Art, Creative Writing, Science and Technology - Students with a desire to design, produce, or write multimedia content.	Audio Video Tech and Film 1	Audio Video Tech and Film 2	Applications of Film Production	EOPA - Internship, Directed Study, Work Based Learning	Directors, Producers, Content Creators (Social Media), or Journalists
MEDICINE	PUBLIC HEALTH	Science, Anatomy, Government - Students with an interest in occupations or functions involved primarily in environmental health, community health, epidemiology, & disaster management.	Intro to Healthcare	Essentials of Healthcare	Applications of Public Health	EOPA - Internship, Directed Study, Work Based Learning	Community Health Worker, Epidemiologist, Health Educator, Advocate & Environmentalist
	SPORTS MEDICINE	Science, Anatomy, Sports - Students with an interest in the branch of medicine that deals specifically with injuries that occur to athletes and the active population of all ages.	Intro to Healthcare	Essentials of Healthcare	Sports Medicine	EOPA - Internship, Directed Study, Work Based Learning	Exercise Physiologist, Athletic Trainer, Physical Therapist, Psychologist, Strength Coach, Dietician, Nurse, Medical Doctor
	MENTAL HEALTH	Science, Psychology, Health - Students will learn about techniques used in recognizing, preventing, supporting, and treating various behavioral and mental health disorders while preparing for a career or college pathway in the field of emotional, mental, and behavioral health.	Intro to Healthcare	Essentials of Healthcare	Mental Health	EOPA - Internship, Directed Study, Work Based Learning	Counselor, Psychologist, Psychiatrists, Nurse or other Mental Health Profession
BUSINESS & LEADERSHIP	3DE LEADERSHIP PROGRAM MAGNET	Collaboration, Creative Problem Solving, Critical Thinking - Students learn essential career and life skills by working collaboratively to solve real-world challenges, nurturing their creativity to be visionaries of their futures and drivers of their own success.	Foundations of Leadership	Reinforcement of Competency Skills	Entrepreneurship	Senior Consultancy	International Marketing, Business, Financial Analyst, Entrepreneur, Project Manager, Public Policy, Architect, Research Scientist, Software Designer, CEO
	ADVANCED ACCOUNTING	Math, Finance, Economics, Business - Students will learn college accounting concepts, analyzing business financial statements, applying advanced decision-making techniques and understanding how businesses earn a profit.	Introduction to Business & Technology	Principles of Accounting 1	Honors Accounting	EOPA - Internship, Directed Study, Work Based Learning	Financial Accountant, Forensic Accountant, Tax Accountant, Systems Accountant, Auditor, Financial Planner, Entrepreneur
	BUSINESS ACCOUNTING	Math, Finance, Economics, Business - For all business majors in college, Business Accounting is a MUST to learn to implement the accounting cycle with simulations and applications of actual businesses while applying many skills needed in the financial world.	Introduction to Business & Technology	Financial Literacy	Principles of Accounting 1	EOPA - Internship, Directed Study, Work Based Learning	Financial Accountant, Banker, Stockbroker, Insurance Broker, Tax Consultant, Financial Planner, Sales
	MARKETING & MANAGEMENT	Creative Writing, Psychology, Sociology - Through this pathway, students harness their creativity while learning about business, leadership and fun, getting the sense of what it would be like to be a Marketing Professional.	Marketing Principles	Marketing & Entrepreneurship	Marketing Management	EOPA - Internship, Directed Study, Work Based Learning	Marketing Manager, Content Developer, Graphic Design, Advertising
	WORLD LANGUAGES	Languages, Culture, Diversity, International Business - Ideal for students interested in becoming linguistically and culturally equipped to communicate successfully in personal, academic, and professional settings across the globe.	Level 1 WL (Chinese, French, German, Latin, Spanish)	Level 2 WL (Chinese, French, German, Latin, Spanish)	Level 3 WL (Chinese, French, German, Latin, Spanish)	Level 4 WL - Advanced Placement, Internship or Directed Study	Interpreter, Diplomat, Foreign Service, International Business, and increase marketability in any profession as well as increase potential future income by 5 to 20 percent.
	JOURNALISM	Investigation, Current Issues, Journalistic Writing, and an interest in the process of Publishing - Students who have an interest in leadership training, current issues, research and investigation, journalistic writing, graphic design, photography, art, creative writing, business management, business leadership.	Level 1 of any publication course (Journalism/Newspaper 1, Literary Magazine 1, Yearbook 1, or Photo 1)	Level 2 of any publication course or Photo 2	Level 3 of any publication course or Photo 3	Broadcast Journalism, Yearbook 4, Literary Magazine 4, Newspaper 4, Internship, or Work Based Learning	Broadcaster, Business Manager, Photography, Investigative Journalism, Podcast Creator, Content Creator, Influencer, Copy Editing, Publishing
ART & DESIGN	VISUAL ARTS	Art, Design, Photography, Graphic Design, Sculpture - Students interested in developing their visual arts skills will engage in creative hands-on courses, emphasizing effective communication and critical thinking while creating competitive portfolios that demonstrate technical skill, design, artistic voice, and aesthetic vision.	Visual Arts Comprehensive 1	2D / 3D Art - Ceramics, Drawing & Painting, Jewelry, Metalscrafts, Photography	2D / 3D Art Level 2 & 3 or AP 2D / 3D or AP Drawing	Internship, Directed Study, Work Based Learning or additional AP Course	Fine Artist, Architect, Art Therapist, Event Stylist, Museum Curator, Illustrator, Designers: Digital, Concept, Fashion, Industrial, Interior, Media, Product, Set, User Experience, Video Game, Web
	PERFORMING ARTS	Music, Art, Acting, Theater - Students interested in cultivating their craft of performance will engage in creative, performance-based courses that build leadership, effective communication, and problem-solving skills.	Band, Orchestra, Chorus, Theatre (Auditions for Placement)	Band, Orchestra, Chorus, Theatre (Auditions for Placement)	Band, Orchestra, Chorus, Theatre (Auditions for Placement)	Band, Orchestra, Chorus, Theatre (Auditions for Placement)	Professional Musician, Actor, Singer, Educator, Director, Stage Production, Theatre Director, Music Therapist, Song Writer

[Link to Pathways and Optional Schools of Study](#)

High School Academic Placement

- ▶ All Academic course placements are subject to change. Students are currently placed based on first semester and current grades in pre-requisite courses.
- ▶ If final second semester grades in pre-requisite courses or 8th Milestones scores drop below the Distinguished Learner level to be placed in Honors level courses, students will be removed before the beginning of the 2024/2025 School Year.

Typical 9th grade course request - two examples

5 units of credit- student is taking World Language

*Student will select 1.0 units of electives

Course Selection

ELECTIVE CHOICES:

List your elective choices *in order of priority* from 1 - 4. You will find the course descriptions in your Northview Course Catalog. The Course Catalog can be accessed at www.northviewhigh.com. Enrollment in each course is limited, and we will honor as many requests as possible. If you do not list four choices and we cannot honor your other requests, we will select the elective for you. Any course listed on this form may be used to complete the student schedule.

Courses may be cancelled over the summer, and we need course options to complete your schedule.

Visual Arts/Comprehensive I (.5 credit) ***Prerequisite for ALL art classes	50.0211001
Jewelry /Metalcrafts I (.5 credit)	50.0460001
Drawing and Painting I (.5 credit)	50.0313001
Sculpture I (.5 credit)	50.0611001

Latin I (1.0 credit)	61.0410000
Spanish I (1.0 credit)	60.0710000

What Happens Next?

Course Placements

Students are placed in courses based on specific criteria. Prerequisite requirements reflect skills and levels of achievement needed for success in a desired course. Proper academic placement is essential for academic success; therefore, students will not be placed in courses in which the pre-requisite requirements have not been met.

Course placement is contingent upon the final *unweighted* course grade. If a student fails to meet a pre-requisite *unweighted* grade requirement by three or less points but has fulfilled all other pre-requisites, a parent may request placement in the desired course by completing a placement waiver. This is the only circumstance for which placement waivers will be offered.

February 1st – February 15th	<ul style="list-style-type: none"> February 1st – Virtual Rising 9th Parent Registration Information Posted On Monday, February 5th course recommendations will be visible to students and parents in IC. A PDF will be sent to RTMS counseling with all students and courses entered by teacher. Students will tour NHS on 2/7 & 2/8 Virtual Parent Q&A Live on TEAMS – 2/8 – 6:00-7:30pm
Thursday, February 1st	<p>Thursday, February 1st - Parents will receive an email with a link to the Counseling website and a video presentation which will cover course registration, class selection, HOPE and scheduling for the 9th grade year.</p> <ul style="list-style-type: none"> Virtual Parent Q&A Live on TEAMS – 2/14 – 11:45 – 1:30 Virtual Parent Q&A Live on TEAMS – 2/15 – 6:00 - 7:30
Friday, February 16th	Course Verification Forms due from all <u>students</u> - RTMS collects and returns to NHS by 2/21 .
Wednesday, February 28th	<p>Final Course Verification will be visible to students & parents in IC.</p> <p>Explanation of the waiver process will be sent to RTMS counseling office. Waivers will be reviewed at the end of the school year when final grades are available. Teacher change forms should be used in May, if a teacher wishes to change a recommendation made in February, and the student has earned the final prerequisite grade.</p>
Friday, March 1st	Mrs. Butera will send RTMS 8 th counselor a PDF of the final course selections for each rising 9 th grader. RTMS will review to make sure all students have 6.0 credits listed. RTMS counselor will follow up with those students missing an academic course or elective class. RTMS will send a spreadsheet to Mrs. Butera with all updates to any student missing a course.
May 22-24	Teacher change forms due to NHS for all River Trail teacher placement changes. June 5th Course waivers due to NHS counseling.

HOPE Scholarship

- Partial in-state tuition covered - varies by year
 - Payment amount for private & public colleges and universities can be located on www.gafutures.org/hope-state-aid-programs/
 - Requirements:
 - Graduate from an eligible high school
 - GPA of at least a 3.0 (calculated by GSFC) in core classes and world language
 - Academic Rigor: 4 classes that are academically rigorous
- <https://www.gafutures.org/media/187520/rigor-course-list-september-2017.pdf>
- For more information, visit www.gafutures.org.

Zell Miller Scholarship

- ▶ 100% of in-state tuition covered
- ▶ Must meet all the requirements to be eligible for the HOPE Scholarship, plus:
 - ▶ Graduate from an eligible high school
 - ▶ GPA of at least a 3.7 (calculated by GSFC)
 - ▶ SAT: min. 1200 combined critical reading score and math score (single administration)
 - ▶ ACT: min. composite score of 26
 - ▶ *SAT/ACT scores MUST be submitted to GSFC to be considered*
 - ▶ **OR**, Valedictorian or Salutatorian
- ▶ In college must maintain 3.3 GPA

For more information, visit www.gafutures.org

HOPE GPA

A 3.0 GPA is acquired by averaging core coursework, including failing grades, on a 4.0 scale.

Core Courses

English

Math

Science

Social Science

World Language

Conversion

A	90 to 100	4.0 Points
B	80 to 89	3.0 Points
C	70 to 79	2.0 Points
F	0 to 69	0 Points

Honors points are removed and a 0.50 weighting is added back in for AP and Dual Enrollment courses only, not to exceed 4.0.

Course credit completed in middle school is not calculated in the HOPE GPA.

All calculations are done by the Georgia Student Finance Commission.

Counselors are not responsible for calculating the HOPE GPA
A 2.99 GPA does NOT qualify you for HOPE

Students graduating in 2017 and beyond must earn a minimum of four (4) credits from the academic rigor course categories outlined on the www.gafutures.org website.

Credits received for academic rigor courses must be selected from the categories below:

1. Advanced math, such as advanced algebra and trigonometry, math III, taken at the high school, or an equivalent or higher course taken for degree level credit at an Eligible Postsecondary Institution;
2. Advanced science, such as chemistry, physics, biology II, taken at the high school, or an equivalent or higher course taken for degree level credit at an Eligible Postsecondary Institution;
3. Foreign language courses taken at the high school, or taken for degree level credit at an Eligible Postsecondary Institution; or
4. Advanced Placement, International Baccalaureate or Dual Credit Enrollment courses in Core subjects.

Emotional Health Hotlines Available to You

Click on Academic Advising Tab to access Rising 9th grade pre-registration topics.

The screenshot shows a web browser window with the URL <https://www.northviewcounseling.com/academic-advising->. The page header features the Northview High School Counseling logo, which includes a large stylized 'N' and the text 'Northview High School' and 'Johns Creek, Georgia'. Below the header is a navigation menu with tabs for 'Home', 'About Counseling', 'Academic Advising' (which is highlighted), 'College & Career', 'Student Opportunities', and 'Individual Counseling'. The main content area is titled 'ACADEMIC ADVISING' and includes the subtext '(All Grades)'. A list of links is provided, including:

- [Course Catalog and Class Registration Process](#)
- [Juniors and Seniors](#)
- [Freshman, Sophomores, and Rising 9th Graders](#)
- [AP Information](#)
- [Dual Enrollment](#) (Formerly Move on When Ready)
- [Enrollment Information](#)
- [Graduation Requirements](#)
- Senior Exit Survey and Final Transcript Request
- [Online Classes & Summer School](#)
- [Test Out Option](#)
- [Tutoring](#)
- [Gifted Programs and Courses](#)

Access the Course Catalog on www.northviewcounseling.com under the Academic Advising tab.
