Post- Secondary Options

- Gap Year
- Military
- Workforce
- Technical/Trade School
- Two-Year and Four-Year College/University

Post- Secondary Options (continued)

Gap Year

A GAP Year is a period in which recent graduates take a yearlong break to engage in other educational and/or meaningful experiences or activities such as:

- Experiencing new cultures through travel.
- Joining the Peace Corps or other service/volunteer programs.
- Participating in a Gap Year Program such as college bridge year programs.

A Gap Year should not be seen as a period in which a student does nothing. Students should intentionally plan for their Gap Year and seek out opportunities that will add to their personal and or educational development and growth. Students who take a GAP year can still apply to college and defer their admissions.

Military

The military offers access and training for hundreds of careers! By joining one of the US Armed Forces, students will not only earn a salary but benefits, money for college, and the opportunity to travel.

Requirements: Armed Services Vocational Aptitude Battery (ASVAB) scores determine qualifying careers

Post-Secondary Options (continued)

Technical Schools

- Students interested in attending technical college can take advantage of shorter vocational and career training programs that do not require 4yrs to complete. Students who attend technical college can gain the specific skills needed to go into the workforce sooner. Students interested in attending technical college can earn an associate degree (2yrs), complete a diploma (1-2yrs), or certificate program (6-15months).
- **Requirements:** Placement Testing
- **Degree Earned:** Certificate, Diploma and/or Associate degree Find a Technical College by visiting: Technical College System of Georgia
- More information can be found here: [click link](#)

Workforce/Apprenticeship

- Students considering going into the workforce immediately after high school should start now by preparing for the world of work. Students should consider the following:
- Explore careers that align with personal strengths, abilities, and aptitudes.
- Consider a trade program at a local technical college. These programs can give students the skills needed to enter the workforce earning a higher pay. Students can start taking these courses in high school through Dual Enrollment. See school counselor to learn more. Check out the Hope Career Grant for programs that offer free tuition. No GPA required.
- Research and consider companies that have the potential for career growth and access to training opportunities.
- Consider [public safety](#) and government jobs with benefits.
- Take advantage of the career readiness courses offered by [WorkSource Atlanta Work Readiness Course](#) or [WorkSource Fulton Course or Services](#).
- An apprenticeship is a program offered by employers allowing participants the opportunity to receive paid on-the-job training under a certified expert.

Narrowing Down Your College List

- Research Colleges and Universities
 - Virtual Tours & Representative Visits
 - Naviance Student Dashboard
 - Consider location (In-state/Out-of-state)
 - Consider schools that match your personality, interests, and career goals
- How Many?
 - Narrow your list to somewhere around 4-8 colleges
 - List should be balanced, including safety, target and reach schools.
- Check Admissions Data
 - View the school profiles and compare the admissions data to your own academic record and test scores.

Where Should I Apply?

Dream/Reach School

- Less than 30% chance of admission
- Your Academic Record/Test Scores are below average

Target/Good Fit School

- 30%-60% chance of admission
- Your Academic Record/Test Scores are in line with average

Safety School

- Greater than 60% chance of admission
- Your Academic Record/Test Scores are above average
- You should have at least **one** safety school

A highly selective school should not be considered a safety or target school

College Admission Standards

How Am I Being Evaluated/Application Components

- **Numeric Average** – Typically a recalculated average of all academic core courses on a 4.0 scale (English, Math, Science, Social Studies, and World Language).
- **Course Selection (rigor; difficulty level)** – Colleges are looking at the strength of your courses throughout high school, including your senior year.
- **Test Scores (SAT and/or ACT)** - Please check the institutions' admissions page for additional info regarding test optional. Students are responsible for sending their official standardized test score to the college/university.
- **Extracurricular Activities/Community Involvement/Volunteer/Awards/Recognition** – Leadership and participation in clubs, service, and sports can be particularly important to competitive colleges.
- **Essays** – Required essays on the college application are important because they demonstrate your writing ability and give the college more information about you. Please seek advice when writing an essay and be sure to proofread for errors.
- **Letters of Recommendation** – Most committees prefer letters from core academic teachers in your junior or senior year. Some college/universities will require a counselor letter of recommendation.
- **Interviews**

Numeric Average/Grade Point Average

- Contact each college/university to determine how the numeric average/GPA is calculated
- Most colleges use the following to calculate numeric average onto a 4.0 GPA scale: A = 4.0, B = 3.0, C = 2.0, D = 1.0, F = 0.0
- Most colleges only consider academic courses (ELA, Math, Science, Social Studies, World Language)
- Some colleges/universities may remove the additional 7 points added for Honors, AP and college courses

High School GPA used for postsecondary admissions on a 4.0 scale is calculated by the postsecondary institution, not the high school (Fulton County does not calculate).

Types of Admission

- **Early Action** – Invites early applications and receives early notice of decision. If accepted, **student is not obligated to attend.**
- **Early Decision** – Invites early applications and receives early notice of decision. If accepted, **student is obligated to attend and withdraw all other applications. Students may only apply to ONE early decision school.**
- **Regular Decision** – applying during regular admission, not early. Deadlines typically begin in January.
- **Rolling Admissions** – applications are reviewed as they're sent in; there is no hard deadline by which you need to submit your application.

College/University Application Platforms

While Naviance will continue to be used to research and plan for college, **students will apply to college using the following platforms:**

- [Common Application](#)
- [Coalition](#)
- [GaFutures](#)
- [Common Black College Application](#)
- Individual College Application Portal (visit school's admissions website)

My Colleges

In this tab you will continue your application for each college and you will:

- Complete college-specific questions and supplements
- Invite and manage recommenders
- Submit your application!

For more help in completing this tab, check our [video tutorials](#). You may also contact us to answer your questions.

Requesting LORs on Common App

- Log in to Common App
- Click My Colleges Tab
- Click College Name
- Click “Recommenders and FERPA”
- Complete your “Release Authorization”
- Click “Invite Recommenders”
- Under the Teacher section, type in Teacher’s email address

*For all non-Common App schools, you must follow the college's procedures for mailing, emailing, or uploading LORs. You are responsible for managing this process.

*You will only need to do the FERPA Agreement once.

Common App: Letters of Recommendation

The screenshot shows the Common App user interface. At the top left is the 'common app' logo. At the top right, a welcome message reads: 'Welcome, Thetal Practice Applicant Usage Tips.P CAID 16821216 marianne.stephens@shorelines'. Below the logo is a navigation bar with tabs for 'Dashboard', 'My Colleges', 'Common App', 'College Search', and 'Financial Aid Resources'. The 'My Colleges' tab is active, showing a sidebar with 'Gonzaga University' selected. The main content area is titled 'Recommendations & FERPA' and contains a section for 'FERPA Release Authorization'. This section includes an information icon, the title 'FERPA Release Authorization', and a paragraph explaining that users must complete the FERPA release authorization process before inviting counselors, teachers, recommenders, parents, or advisors. A link 'Learn more about FERPA' is provided. A blue button labeled 'Complete Release Authorization' is highlighted with a red circle.

Common App LOR (continued)

The screenshot shows the Common App user interface. At the top, there is a navigation bar with tabs for "Dashboard", "My Colleges", "Common App", "College Search", and "Financial Aid Resources". Below this, a sidebar on the left is titled "My Colleges" and lists "Williamette University" with a dropdown arrow. Under "Williamette University", there are several menu items: "College Information", "Application", "Questions", "Recommenders and FERPA" (which is highlighted with a blue bar and a checkmark), and "Review and Submit - Common App". The main content area is titled "Recommenders & FERPA" and contains the following sections:

- ✓ FERPA Release Authorization**
View Details ▾
- Invite Recommenders**
Recommenders are people who will submit forms and information to colleges on your behalf. Check out our [video about recommenders](#).
- Invite Recommenders** (button)
- ✓ Counselor**
Your school is using Overgrad for transcripts, school reports, and teacher recommendations. Please contact your counselor directly and they will provide instructions specific to your school regarding these documents. If your counselor wishes to submit forms via mail, you can download forms that can be completed on paper and mailed to each institution to which you apply.
- Download PDF Forms**

Requesting Transcripts

- Most transcripts will be submitted on behalf of the student once they add their counselor to the application platform, i.e., Common App, Coalition, etc.
 - Once the transcript is uploaded into Common App, it is available to all colleges/universities the student is applying to through Common App.
- All other transcript requests, must go through Scrib Order. This includes NCAA, GAFutures, sent to an individual, technical schools, etc. Counselors are not permitted to send a transcript via email.
 - <https://fultonga.scriborder.com/applicationCurrent>

Scholarships and Financial Aid

- Scholarships will be posted to the NHS Counseling website. Check often!
- Financial Aid Night will be held on **November 21**. The FAFSA application will open in October.
- Contact colleges directly about financial aid and scholarship opportunities. Colleges award many renewable scholarships. Ask about criteria, procedures and deadlines.
- A great site to aid in completing the FAFSA, learn more about eligibility, types of aid, and more is:
<http://studentaid.ed.gov/>
- ❓ Research scholarships on the internet
 - ❓ www.scholarships.com
 - ❓ www.fastweb.com
 - ❓ <https://bigfuture.collegeboard.org/scholarship-search>
 - ❓ <https://www.gafutures.org/hope-state-aid-programs/>
- If assigned a temporary social security number upon enrolling at NHS, please contact Ms. Woolstenhulme/Ms. Elliott and report your official social security number. This is required to be eligible for HOPE/Zell Miller Scholarship.

- **For Additional Information on HOPE/Zell Miller**
 - Contact Georgia Student Finance Commission (GSFC)

Counselors are not responsible for calculating the HOPE GPA
A 2.9999 GPA does NOT qualify you for HOPE

NCAA Eligibility Clearinghouse

- If you are planning on participating in intercollegiate athletics at an NCAA Division I or II institution, you must register with the NCAA Initial-Eligibility Clearinghouse
- Access the registration materials by visiting the NCAA website www.ncaaclearinghouse.net
- When taking the SAT/ACT, enter 9999 for scores to be sent to NCAA
- You will need to send your official transcript by requesting your transcript through Scrib Order.

**Students and parents are responsible for determining NCAA eligibility to Division I and Division II schools
Counselors are neither responsible, nor allowed to determine eligibility.**

Deadlines & Expectations

- Students will have 15 school days prior to their application deadline to request the following:
 - Transcripts
 - Letter of Recommendations
 - Counselor Evaluations
- Deadline examples
 - October 15 – request by September 22
 - January 1 – request by November 29
- Students who fail to meet this deadline may receive a generic/informational letter of recommendation from their counselor.
- Admissions committees strongly prefer students waive their right to view letters of recommendation and counselor evaluations.
- Counselors use university deadlines to prioritize counselor-related document submissions. Students may submit prior to counselor/teacher documents are submitted.
- Students are responsible for submitting their standardized test scores to the colleges/universities.
